WHAT OUR CUSTOMERS HAVE TO SAY

As the first people to own the new model Fremantle, we think its spectacular. We have shown many people through our motorhome and have had no bad comments. The ceiling is high gloss finish and it looks spectacular. The curve finish looks amazing. So fresh and modern. The technology is second to none.

- Lionel and Lyn, Batemans Bay NSW

From start to finish this was such an easy process. The handover training was very well done. We are very happy with our new motorhome and the opportunities we now have.

- Peter and Kim, Wollongbar NSW

The best thing we have ever done is to buy a motorhome 10 years earlier than we planned. Our Avida is perfect in every way.

- Don, Berowra NSW

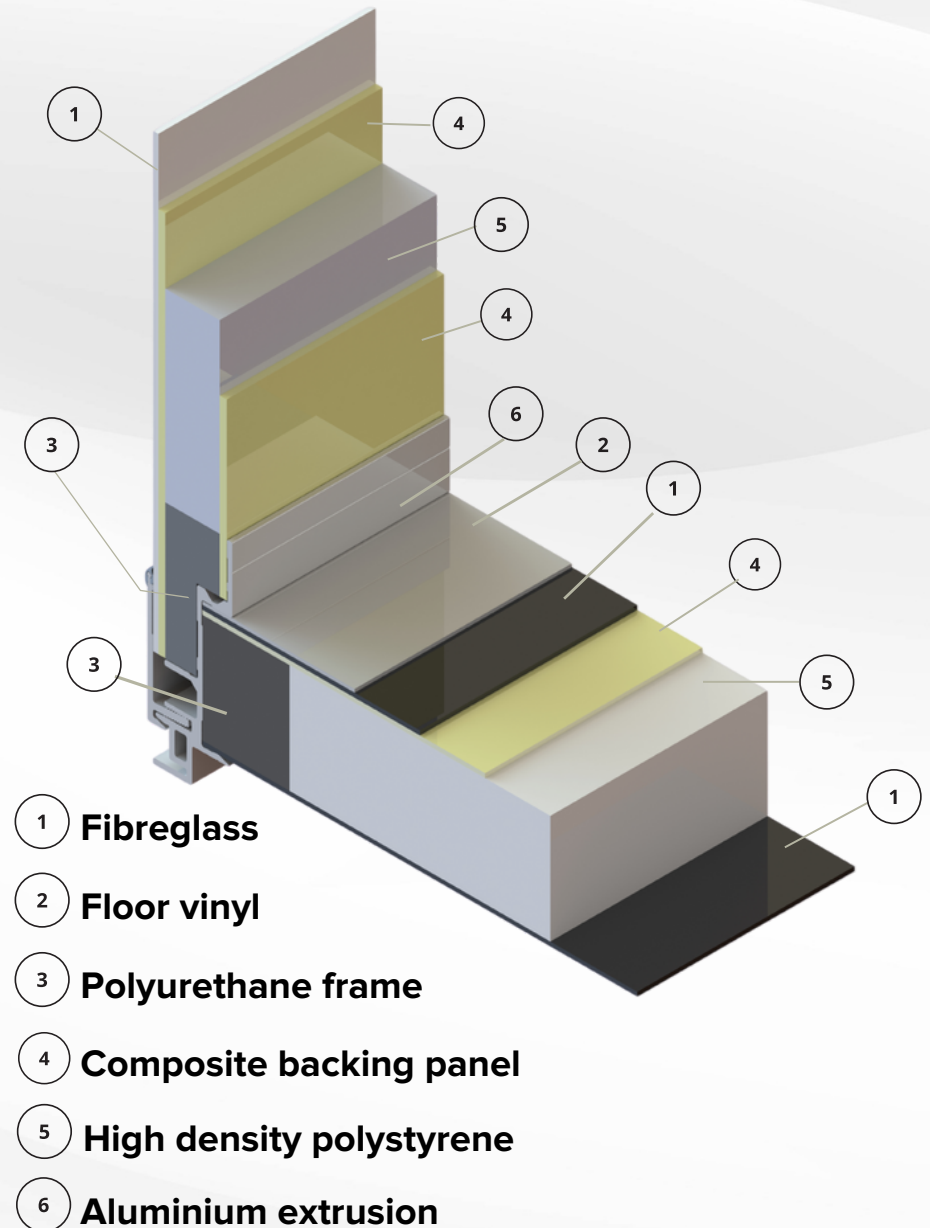

After looking at other brands, the Avida finish and workmanship, both interior and exterior, is far superior. The most notable thing was driving home from the dealer and not having any rattles or squeaks.

- Robert, Singleton NSW

Avida is a family owned business and has been manufacturing RVs in Australia since 1965. The Fremantle range launched in 2017 and is built using Avida's unique sandwich panel construction with a one-piece floor, walls and roof. You can view the Avida Fremantle with twin large slide out rooms at your local Avida dealer.

AVIDA'S UNIQUE SANDWICH PANEL CONSTRUCTION:

- U**pstanding • Walls fixed to the top of the floor, not the side
- N**otable • One piece floor, walls & roof construction
- I**mpressive • Strong enough to walk on the roof
- Q**uality • Long lasting easy to clean surfaces
- U**nbreakable • Dent & hail resistant fibreglass finish
- E**nvironment • High insulation rating
